

Immunization Education Agreement Form

Child's Name _____

My child's health care provider, _____, has recommended that my child be vaccinated and protected with one or more of the following vaccines:

- hepatitis B
- DTaP
- Hib
- Prevnar
- IPV (polio)
- rotavirus
- MMR
- Varicella (chicken pox)
- hepatitis A
- Tdap
- Meningococcal vaccine
- Gardasil (HPV)
- Meningococcal B vaccine
- influenza (flu shot)
- other:

My main concerns and fears that are keeping me from vaccinating and protecting my child at this time include:

- 1.
- 2.
- 3.
- 4.

While I have decided to skip one or more of these vaccines at this time, I agree to get educated about these vaccines and vaccine-preventable diseases, including the risks and consequences to my unvaccinated child and to anyone who is around my unvaccinated child.

Signature _____ Date _____

My provider has explained that the following books and websites are reliable sources of information that can help me get educated about vaccines and vaccine preventable diseases.
